

“...Let's go down the park...”

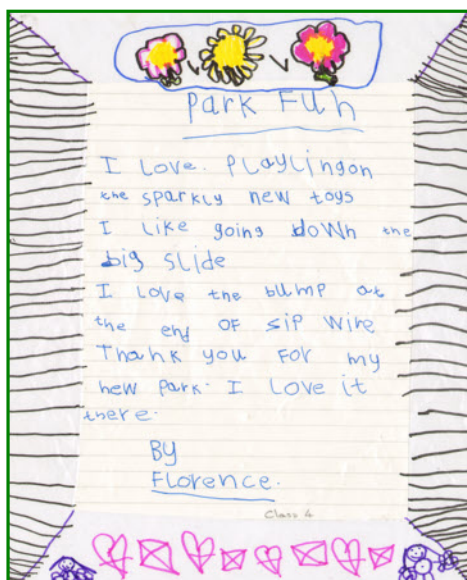

The winning entries from the children of Milton Malsor Parochial Primary School to celebrate the official opening of the new Village Park on May Day Bank Holiday, 2 May 2011

Euan Bassett age 8

Millions of birds tweeting their song
Imaginating games you can play all day long
Look at the flowers Growing in the spring
Trenches you hide in when you play hide and seek
On and off, on and off on the swinging monkey bars
Nocturnal animals sleeping at night

Picture a picnic in the glistening grass
A lush green grass
Round and round on the roundabout
Kites flying high in the kites

Florence Deeks, age 5

I love playing on the sparkly new toys
I like going down the big slide
I love the bump at the end of the zip wire
Thank you for my new park
I love it there

Georgina Deeks, age 7

I love people going down the slide with me
All the toys are so sparkly
I like having picnics there
All the food and drink we share
Kids like going high
On the swings they almost fly
Friends laughing and having fun
Flowers growing in the sun
