Date: 7 January 2011

Dear Sir/Madam

AREA 7 MANAGING AGENT CONTRACTOR

Re: Resurfacing of M1 Northbound between Junction 15A - 16

A-one+ are the Managing Agent Contractor (MAC) working for and on behalf of the Highways Agency for the Trunk Road and Motorway network in the East Midlands (Area 7).

Description of works

We would like to inform you of work beginning shortly on the M1 Northbound carriageway between Junction 15A and Junction 16.

The work to be carried out is the Resurfacing of Lanes 1, 2 and 3 of the M1 Northbound Carriageway on the approach to Junction 16.

Work is expected to start 31st January 2011 and be completed by 18th February 2011, assuming reasonable weather conditions.

To reduce congestion the site will operate night time only.

In order to carry out these works we will need to close the M1 Northbound Junction 16 Exit Slip Road for the duration of the scheme.

During the time we are working diversions will be in place for traffic travelling to the A45 from the M1 Northbound carriageway and clearly signed.

A 50 mph speed restriction will remain in force on the M1 during the night works, for safety reasons.

When complete these works will prolong the life of the road surface and improve road safety.

Every effort has been made to ensure disruption to traffic and the residents of Bugbrooke and Kislingbury is kept to a minimum, but there will inevitably be some disruption generated by these works and for that we apologise in advance.

If you would like to discuss any aspect of this scheme, or would like any further information please contact Construction Manager, Chris Bancroft on 01536 419623, (days)

We understand that these works will affect you but we will endeavour to keep any disruption to a minimum. If you have any problems or queries during the works would you please contact Site Manager, Dave Marlow on 07540 701431, (nights)

If you have any feedback for us on this scheme please call the Highways Agency Information Line on 0300 123 5000 or e-mail us at area7enquiries@aone.uk.com
