

Changes to your household waste recycling centre from 21st June 2010

We are making some changes to our 10 household waste recycling centres to make our service better and more convenient

• Longer Opening Hours

In summer between April and September we will be extending our opening hours to 8am to 8pm.

In the winter months from October to March our centres will be open between 8am and 6pm.

• All centres will be open all weekend

Some centres will close 2 days during the week. Brixworth, Corby, and Wollaston will be closed Wednesday and Thursday. Towcester and Wellingborough will be closed Tuesday and Wednesday.

• Open 7 days a week: Daventry, Ecton, Kettering, Rushden and Sixfields will be open 7 days per week.

• Off Centre reuse shops: Please still bring your items for reuse to the centres. The sale of the reuse items will then be at off centre shops, where the general public can browse at their leisure. Locations of the new shops will be made available in due course.

• Wollaston household waste recycling centre will no longer accept black bag and non recyclable waste. We are pleased to announce that this will be a waste free recycling centre.

• Kettering household waste recycling centre will be moving from Cunliffe Drive to a brand new site at Garrard Way on Telford Way Industrial Estate in Kettering from Summer 2010. This is a much larger site and will be more user friendly.

• Trade Waste will still be accepted at Ecton. Kettering, Rushden and Sixfields recycling centres will accept trade waste later in the year. This will benefit many local businesses who wish to deposit small amounts of trade waste. Visit our website for further information.

To tell us what you think, please ask a member of staff for a feedback form. Please put your completed form in the boxes provided at the centres or post it back to us.

Thank you for visiting the household waste recycling centre
